Hispec HSTS3/USB/P

Hispec Voyager Pop-Up Tower Socket

Manufacturer: Hispec Electrical Products Ltd

GTIN: 5060144135346

Family: Lighting

Range: Tower Sockets

DESCRIPTION

Maximise convenience and style in your kitchen or workspace with the Voyager Pop-Up Tower Socket. This sleek and modern power solution offers multiple sockets and USB ports, perfect for powering and charging devices while keeping surfaces clutter-free.

- **Pop-Up Design:** Features a retractable design that allows the socket tower to be hidden when not in use, providing a clean and uncluttered look to your countertop or desk.
- **Multiple Power Outlets:** Equipped with multiple UK plug sockets to accommodate various electrical devices, making it ideal for kitchens, offices, and workshops.
- **Integrated USB Ports:** Includes USB ports for convenient charging of smartphones, tablets, and other USB-powered devices, reducing the need for additional chargers and adapters.
- **Easy Installation:** Designed for straightforward installation in worktops or desktops, the Voyager Pop-Up Tower Socket requires minimal effort to set up, making it suitable for both DIY projects and professional installations.
- **Space-Saving Solution:** The compact and discreet design helps to save valuable surface space, keeping your area organised and free from excess cables and plugs.
- **Durable Construction:** Made from high-quality materials, this socket tower is built to withstand daily use, ensuring long-lasting performance and reliability.
- **Safety Features:** Includes built-in safety mechanisms to prevent electrical overload, offering peace of mind when using multiple devices simultaneously.
- **Stylish Finish:** The modern design and sleek finish blend seamlessly with contemporary interiors, enhancing the look of any kitchen, office, or workspace.
