

PRODUCT DATA SHEET

British General NBS82-01

BG Nexus Metal, Brushed Steel, Double Dimmer Switch, 2 Way, Trailing Edge 200W

Manufacturer: Luceco plc

GTIN: 5050765145602

Family: Wiring Devices

Range: Nexus Metal

DESCRIPTION

This trailing edge double dimmer switch from British General allows you to control your light levels and set the mood. The intelligent electronic circuit monitors the connected load and provides a soft-start with protection against thermal, current and voltage overload, and is suitable for dimming LED, dimmable CFL's and traditional lighting. Designed with captive screws for ease of installation, the sleek and slim design has a brushed steel finish with anti-fingerprint lacquer, colour match fixing screws and softly rounded edges for a luxurious appearance.

- 200W Rated (100W LED)
- Easy to install supplied with fixing screws and installation instructions
- Adjust your light level for mood setting as well as energy saving with 2 way on/off
- Trailing (lagging) edge dimmer suitable for dimming LED, dimmable CFL's and traditional lighting
- Soft start brings the lights to a set level in around 1 second and extends the life of lamps
- Overload protection prevents failure if you mistakenly connect your dimmer to too many lights or transformers and will turn the lights down or off until the load is corrected
- Silent operation - no noise when dimming
- Support for lower wattage lamps eliminates flicker
- Rotary dimmer control with push on/off function
- Certified to BS EN 60669-2-1

TECHNICAL SPECIFICATION

ETIM Class: In-line switch / dimmer (EC000445)

Primary Features

Colour	Stainless steel	Material qualifier	Other
Material	Other	Nominal voltage (V)	220
