

PRODUCT DATA SHEET

British General NBS22UAC22G-01

BG Nexus Metal Brushed Steel, 13A Double Switched Socket with USB A + C 22W, Grey Inserts

Manufacturer: Luceco plc

GTIN: 5050765250054

Family: Wiring Devices

Range: Nexus Metal

DESCRIPTION

This brushed steel 13A double socket from British General comes with integrated fast charge USB-A and USB-C ports, allowing you to plug in an electrical device and charge mobile devices simultaneously without having to sacrifice a power socket. The 22 Watt variable voltage fast charging supports PD & QC charging protocols for Android and iOS devices, and auto-detects the USB device and adjusts the charging pattern to suit. This socket has a sleek and slim profile with softly rounded edges and no visible plastic around the switches to add a touch of luxury to your decor. Designed with angled in line colour coded terminals and backed out captive screws for ease of installation, and fits a 25mm back box making it an ideal retro-fit replacement for existing sockets.

- Free your sockets and charge all your devices - Ideal for mobile phones, tablets and other USB chargeable devices
- 22W, variable voltage fast charging with PD & QC charging protocols for Android and iOS devices, with charge shared across two outlets - 1 x Type A, 1 x Type C
- Smart USB - Standby mode when device is fully charged; AutoDetect's the USB device and adjusts charging pattern to suit; protective overload function
- Angled colour coded terminals for easy identification and captive screws to prevent screw loss
- Delivers 50% charge to mobile phones in just 30 minutes
- Ideal for charging smartphones and tablets quickly and efficiently
- Charge up 70% faster than standard 5V charging
- Twin earth fitted as standard for high integrity circuits
- Sleek and slim premium metal with softly rounded edges

- Moisture control gasket protects metal edges from tarnishing

TECHNICAL SPECIFICATION

ETIM Class: TV / phone / data / communications outlets (EC000018)

Primary Features

Colour	Stainless steel	Height of device (mm)	86
Degree of protection (IP rating)	IP20	Minimum depth of back box (mm)	25
Depth of device (mm)	32.1	Width of device (mm)	146
