British General WP55ARCD-02

BG Nexus Storm, Unswitched Fused Connection Unit with Latching Type A RCD, IP66

Manufacturer: Luceco plc

GTIN: 5050765236201

Family: Wiring Devices

Range: Nexus Storm Weatherproof

DESCRIPTION

This IP66 This Type A RCD fused connection unit is supplied in a weatherproof mounting box and ideal for outdoor use. This unit will continuously monitor the supply to any electrical appliance hardwired to it, and cuts the power if an earth current fault is detected, protecting against the risk of a fatal electric shock. The clear flexible cover allows you to view the power status and operate switches without opening the unit.

- Weather and dust protection - IP66 (with cover closed)
- Fast fix - no separate screws, no screw covers, 150° rotation
- Flexible membrane - allows easy switch and power status indication without compromising IP rating
- Multiple knockouts for versatility when installing - 5 x 20mm
- RCD mechanism - latching (passive) - socket returns to original state when power is resumed
- No need to reset after a loss of power
- Angled in-line colour coded terminals with captive screws - for quick and easy installation
- Hinged cover - with fixing screw provides access to the fuse
- Robust construction - high impact polycarbonate housing
- Trip current - 30mA trip current, 40mS trip speed

TECHNICAL SPECIFICATION

ETIM Class: Fused connection unit (EC004518)

Primary Features

Colour	Grey	Nominal current (A)	13
Degree of protection (IP rating)	IP66	Nominal voltage (V)	240 - 240
Depth of device (mm)	61	Width of device (mm)	115.5
Height of device (mm)	115.5
