

PRODUCT DATA SHEET

Termination Technology BS35

Term Tech Copper Tube Butt Splice Connectors 35mm² Cable (Unit 100)

Manufacturer: Termination Technology

GTIN: 5060964210209

Family: Crimp Terminals

Range: Copper Tube Butt Splices

DESCRIPTION

The Termination Technology range of copper tube butt splice connectors are designed for joining low voltage conductors. All connectors come with an internal taper at both ends for easier insertion of the conductors as well as a central stop to ensure correct core positioning before crimping. Mechanical connectors are also available from stock.

- Copper tube butt splice connectors suitable for copper conductors
- Manufactured from 99.99% copper and 0.01% Tin
- 35mm² cross section cable entry on each end
- Central stop to ensure correct positioning of cores before crimping
- Featuring an internal taper at both ends to ease the insertion of the conductor

TECHNICAL SPECIFICATION

ETIM Class: Crimp splices for copper conductor (EC001059)
