Hispec HSLEDDL/PIR

Hispec Coral Down Wall Light with PIR Sensor Stainless Steel

Manufacturer: Hispec Electrical Products Ltd

GTIN: 5060144134233

Family: Lighting

Range: Outdoor Lighting

DESCRIPTION

Enhance your outdoor security and aesthetics with the Stainless Steel Coral Down Wall Light featuring an integrated PIR sensor. This intelligent, GU10-compatible fixture combines modern design with motion-activated lighting, offering a range of finishes to suit various architectural styles while providing focused, energy-efficient illumination for entrances, patios, and exterior walls.

- **Integrated PIR Sensor:** Features a built-in Passive Infrared sensor that detects motion within a 100° angle and up to 6 metres, activating the light only when needed for enhanced security and energy efficiency.
- **Versatile Design:** Available in a range of finishes including Stainless Steel, Black, and Copper, allowing you to choose the perfect match for your exterior décor.
- **GU10 Compatibility:** Designed to accommodate GU10 lamps up to 35W, providing flexibility in choosing your preferred bulb type and brightness level.
- **Focused Illumination:** The downward-facing design directs light where it's needed most, perfect for highlighting architectural features or providing practical lighting for entrances and pathways.
- **Durable Construction:** Built to withstand outdoor conditions, ensuring longevity and consistent performance in various weather situations.
- **Easy Installation:** Comes with an included accessory pack, simplifying the mounting process and reducing installation time.
- **Weather Resistant:** With an IP44 rating, it's protected against water splashes and solid objects over 1mm, making it suitable for exposed outdoor locations.
- **Modern Aesthetics:** The sleek, contemporary design adds a touch of sophistication to any exterior wall, enhancing your property's curb appeal.

- **Manual Override Function:** Includes a manual override feature, allowing you to keep the light on continuously when needed.
- **Energy Efficiency:** The combination of motion-activated lighting and compatibility with LED GU10 bulbs offers significant energy savings, reducing electricity costs and environmental impact.

TECHNICAL SPECIFICATION

ETIM Class: Ceiling / wall luminaire (EC002892)

Primary Features

Colour of light	White	Light source included	No
Degree of protection (IP), front side	IP44	Light source type	Other
Degree of protection (IP), rear side	IP44	Maximum system power (W)	35
Housing colour	Stainless steel	Nominal voltage (V)	220 - 240
Lamp cap/base	GU10	Number of lamps	1
Lamp power (W)	35 - 35	Voltage type	AC

Additional Features

Compatible with Amazon Alexa	No	Suitable for wall mounting	Yes
Compatible with Google Assistant	No	With movement sensor	Yes
Movement sensor/presence detector technology	Passive infrared	With presence indicator	Yes
Protection class according to IEC 61140	I
