Hispec HSSA/HE/FF

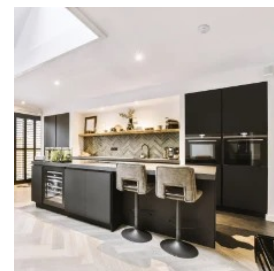

Hispec Interconnectable Fast Fix Mains Heat Detector with 9V Backup Battery Included

Manufacturer: Hispec Electrical Products Ltd

GTIN: 5060144134196

Family: Fire Detection

Range: Mains Interconnectable

DESCRIPTION

The Interconnectable Fast Fix Mains Heat Detector with 9v Backup Battery provides reliable heat detection and safety. Designed to interconnect with other detectors, this unit includes a 9v battery backup to ensure continuous operation during power outages.

- **Interconnectable Design:** Can be linked with other heat or smoke detectors in the system, providing comprehensive coverage and coordinated alerts across multiple areas of the property.
- **Mains Powered:** Operates directly from the mains power supply, ensuring reliable performance and reducing the need for frequent battery replacements.
- **9v Backup Battery:** Includes a 9v battery backup to maintain functionality during power outages, ensuring continuous heat detection and safety.
- **Fast Fix Installation:** Features a simple and efficient installation process for quick setup, making it easy to integrate into your existing fire safety system.
- **Heat Detection:** Detects significant increases in temperature, making it suitable for areas where smoke detectors might be less effective, such as kitchens or garages.
- **Test and Hush Features:** Equipped with test and hush buttons for easy maintenance and to temporarily silence false alarms without removing the unit from its mount.
- **Durable Construction:** Built from high-quality materials to ensure long-term reliability and performance in various environments.
- **Compliance with Safety Standards:** Meets all relevant safety and performance standards, providing reliable heat detection and enhanced safety for your property.

TECHNICAL SPECIFICATION

ETIM Class: Smoke/heat detector/alarm (EC001763)

Primary Features

Diameter (mm)	120	Operating technology	Thermo differential
Mounting method	Surface mounting	With backup battery	Yes

Additional Features

Acoustic signal	Yes	Compatible with Google Assistant	No
Backup battery	Alkaline	Max. number networkable	20
Compatible with Amazon Alexa	No	Min. sound level (at a distance of 3 metres) (dB(A))	85
