Hispec HSSA/PE

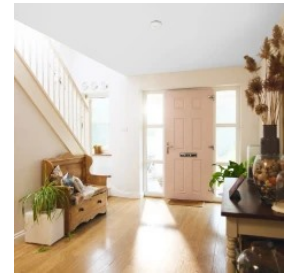

Hispec Interconnectable Mains Smoke Detector

Manufacturer: Hispec Electrical Products Ltd

GTIN: 5060144133908

Family: Fire Detection

Range: Mains Interconnectable

DESCRIPTION

Protect your home or business with the Interconnectable Mains Smoke Detector. This reliable smoke detector is powered by mains electricity and can be interconnected with other detectors to provide comprehensive coverage and early warning in case of fire.

- **Mains Powered:** Operates directly from your mains electricity supply, ensuring continuous power and reliable performance without the need for frequent battery replacements.
- **Interconnectable Feature:** Can be connected with other smoke detectors in the system, providing a coordinated response and audible alarm throughout the property when smoke is detected.
- **Advanced Smoke Sensing Technology:** Utilises sensitive smoke detection technology to quickly identify smoke and trigger an alarm, offering early warning and increasing safety.
- **Visual Indicator:** Equipped with a bright LED indicator to show the status of the detector and provide a visual warning when smoke is detected or maintenance is needed.
- **Audible Alarm:** Features a loud, clear alarm to alert occupants of potential fire, ensuring that everyone is notified promptly in case of emergency.
- **Easy Installation:** Designed for straightforward installation with clear instructions and included mounting hardware, allowing for quick setup in various locations.
- **Maintenance Alerts:** Includes a built-in feature to indicate when the detector needs maintenance or if there is a fault, helping to ensure it remains in optimal working condition.
- **Compliance with Safety Standards:** Meets relevant safety standards and regulations, providing peace of mind that your fire detection system is reliable and effective.

TECHNICAL SPECIFICATION

ETIM Class: Smoke/heat detector/alarm (EC001763)

Primary Features

Colour	White	Operating technology	Optic
Diameter (mm)	120	With backup battery	Yes
Mounting method	Surface mounting		

Additional Features

Acoustic signal	Yes	Compatible with Google Assistant	No
Backup battery	Alkaline	Max. number networkable	20
Compatible with Amazon Alexa	No	Min. sound level (at a distance of 3 metres) (dB(A))	85
