

PRODUCT DATA SHEET

Hispec HSA/BC/RF10-PRO

Hispec Radio Frequency Battery Carbon Monoxide Detector, powered by a 10yr Sealed Lithium Battery

Manufacturer: Hispec Electrical Products Ltd

GTIN: 5060144135667

Family: Fire Detection

Range: Battery Only Radiofrequency

DESCRIPTION

The Radio Frequency Battery Carbon Monoxide Detector offers reliable CO detection with the convenience of a 10-year sealed lithium battery. Featuring radio frequency interconnectivity, this battery-powered detector ensures continuous protection and seamless integration with other safety devices in your system.

- **10-Year Sealed Lithium Battery:** Equipped with a long-lasting sealed lithium battery that provides up to 10 years of reliable performance, eliminating the need for frequent battery replacements.
- **Radio Frequency Interconnectivity:** Utilises radio frequency technology to connect with other detectors in your system, enabling simultaneous alerts and improved safety coverage throughout your property.
- **Battery-Powered:** Offers the flexibility of battery power, making it suitable for locations without mains power and ensuring continued operation even during power outages.
- **Easy Installation:** Designed for quick and simple installation, allowing for efficient integration into your existing safety system with minimal disruption.
- **Low Maintenance:** Requires minimal maintenance due to the long-life battery, providing hassle-free operation and long-term reliability.
- **Compact Design:** Features a sleek and unobtrusive design that fits seamlessly with various interior styles while maintaining high functionality.
- **Test and Hush Features:** Includes test and hush buttons for straightforward maintenance and to temporarily silence false alarms, offering added convenience and control.
- **Compliance with Safety Standards:** Meets relevant safety and performance standards to ensure effective carbon monoxide detection and enhance overall safety.

TECHNICAL SPECIFICATION

ETIM Class: Carbon monoxide detector/alarm (EC002840)

Primary Features

Colour	White	Mounting method	Surface mounting
--------	-------	-----------------	------------------

Additional Features

Backup battery	Lithium	Max. number networkable	20
----------------	---------	-------------------------	----

Compatible with Amazon Alexa	No	Min. sound level (at a distance of 3 metres) (dB(A))	85
------------------------------	----	--	----

Compatible with Google Assistant	No
----------------------------------	----
