Inspection Elbow Galv 25mm

Manufacturer: Greenbrook

GTIN: 5012739610035

Family: Cable Management

Range: Conduit Accessories

DESCRIPTION

The Inspection Elbow Galv 25mm is a galvanized malleable iron elbow, designed for use in electrical conduit systems. This 25mm inspection elbow allows for easy access and maintenance of the electrical wiring within the conduit. Made from high-quality galvanized malleable iron, it offers excellent strength, durability, and corrosion resistance, making it suitable for both indoor and outdoor applications. The galvanized finish provides added protection against wear and rust, ensuring long-lasting performance. Perfect for professional and DIY applications, it enables smooth directional changes while providing easy access for inspection and maintenance of conduit systems.

- Conforms to BS EN 61386-21
- Galvanised plating thickness >45µm

TECHNICAL SPECIFICATION

ETIM Class: Bends for conduit (EC000936)
