Hispec HSSA/PE/FF

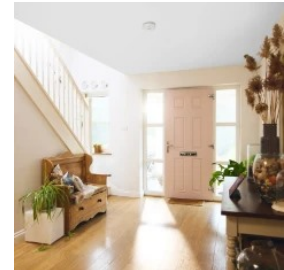

Hispec Interconnectable Fast Fix Mains Smoke Detector with 9V Battery Backup Included

Manufacturer: Hispec Electrical Products Ltd

GTIN: 5060144134202

Family: Fire Detection

Range: Mains Interconnectable

DESCRIPTION

The Interconnectable Fast Fix Mains Smoke Detector with 9v Battery Backup ensures reliable fire detection with added safety features. This smoke detector connects with other units for comprehensive coverage and includes a 9v battery backup for uninterrupted protection during power outages.

- **Interconnectable Design:** Can be linked with other smoke detectors in the system, allowing for comprehensive coverage and immediate alerts across multiple locations within the property.
- **Mains Powered:** Operates directly from the mains power supply, ensuring consistent and reliable performance while reducing the need for frequent battery changes.
- **9v Battery Backup:** Includes a 9v battery backup to maintain functionality during power outages, ensuring that the smoke detector remains operational at all times.
- **Fast Fix Installation:** Designed for quick and easy installation, with a straightforward mounting process that minimises setup time and effort.
- **High Sensitivity:** Equipped with advanced smoke sensing technology to detect smoke quickly and accurately, providing early warning in case of a fire.
- **Test and Hush Features:** Includes test and hush buttons for easy maintenance and to temporarily silence false alarms without removing the unit from its mount.
- **Durable Construction:** Built with robust materials to ensure long-lasting performance and reliability in various environmental conditions.
- **Compliance with Safety Standards:** Meets relevant safety and performance standards to provide dependable fire detection and enhance safety within the property.

TECHNICAL SPECIFICATION

ETIM Class: Smoke/heat detector/alarm (EC001763)

Primary Features

Colour	White	Operating technology	Optic
Diameter (mm)	120	With backup battery	Yes
Mounting method	Surface mounting		

Additional Features

Acoustic signal	Yes	Compatible with Google Assistant	No
Backup battery	Alkaline	Max. number networkable	20
Compatible with Amazon Alexa	No	Min. sound level (at a distance of 3 metres) (dB(A))	85
